National Constitution Center is a non-partisan, non-profit organization responsible for educating the American people about the Constitution and its application to current events. The Center helps to combat illiteracy by distributing educational curriculum and media programs designed to increase understanding and participation in the democratic process.

Historic RittenhouseTown is a non-profit organization dedicated to the preservation, restoration and interpretation of the site of America's first paper mill and the birthplace of David Rittenhouse, the first Director of the U.S. Mint.
